# NSW Standard plan natural gas prices

Schedule of charges from 1 July 2026.

## Prices explained

Depending on the gas plan you choose, you will see a combination of the following charges as applicable.

|                      |                                                                                                             |
|----------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Supply charge</b> | A fixed price per day charge for the supply of gas to your premises.                                        |
| <b>Usage charge</b>  | A price per unit of usage (measured in megajoules (MJ)) for the amount of gas you consume at your premises. |
